Explanation of Responses:

- Represents LTIP Units of limited partnership interest ("LTIP Units") in Mobile Infra Operating Company, LLC, a Delaware limited liability company (the "Operating Company"). Subject to the terms and conditions of the Limited Liability Company Agreement of the Operating Company dated as of August 25, 2023 (the "OC Agreement") and the pertinent LTIP Unit agreement, following the date on which such LTIP Units vest, LTIP Units become convertible into common units of limited liability company interest ("Common Units") in the Operating Company at the option of a holder or New MIC, as defined in footnote 3. LTIP Units do not have an expiration date.
- Each Common Unit is intended to have an economic interest equivalent to one share of common stock of New MIC. Subject to the terms and conditions of the OC Agreement, Common Units are redeemable and may be exchanged, without consideration, by the holder of such Common Units for an equivalent number of shares of common stock of New MIC or for the cash value of such shares, at the discretion of New MIC.
- Received in connection with the Agreement and Plan of Merger, dated as of December 13, 2022, as amended as of March 23, 2023 (the "Merger Agreement"), by and among Mobile Infrastructure Corporation ("MIC"), Fifth Wall Acquisition Corp. III, a Cayman Islands exempted company ("FWAC"), and Queen Merger Corp. I, a Maryland corporation and wholly owned subsidiary of FWAC ("Merger Sub"). On August 25, 2023, the closing of the transactions contemplated by the Merger Agreement occurred. Accordingly, FWAC converted to a Maryland corporation ("New MIC"). Merger Sub merged with and into MIC (the "First Merger") with MIC continuing as the surviving entity (the "First-Step Surviving Company"), and immediately following the effectiveness of the First Merger, the First-Step Surviving Company merged with and into New MIC (the "Second Merger"), with New MIC continuing as the surviving entity resulting from the Second Merger.
- Consists of: (i) 991 vested LTIP Units; (ii) 1,984 LTIP Units scheduled to vest in two equal installments: on May 27, 2024 and May 27, 2025; and (iii) 7,113 LTIP Units scheduled to vest in three equal installments on each of the next three anniversaries of February 28, 2023.
- Pursuant to the Merger Agreement, Mobile Infra Operating Partnership, L.P., a Maryland limited partnership (the "Operating Partnership"), of which MIC was the sole general partner, was converted into a Delaware limited liability company, the Operating Company. Accordingly, each outstanding unit of partnership interest of the Operating Partnership converted automatically, on a one-for-one basis, into an equal number of identical membership units of the Operating Company, which number was subsequently adjusted based on the Exchange Ratio, as defined in the Merger Agreement. New MIC is entitled to appoint one of two board members of the Operating Company, who is entitled to two votes on every matter submitted to a vote, whereas the other director is entitled to one vote on every matter submitted to a vote. Both current members of the board of directors of the Operating Company are also directors of New MIC as of the date of this report.
